DIMENSIONS

NOTES:

Refer to installation instructions supplied with kitchen sink for undermount, countertop or above counter custom installations.

Due to the fireclay process, dimensions may vary.

Please use the actual sink that you will be installing in order to determine the cutout dimensions for your countertop.

CAUTION: Sink is heavy! Installer must provide adequate reinforcement for all load-bearing supports in accordance with installation instructions supplied with kitchen sink. Fittings not included with fixture and must be ordered separately.

IMPORTANT: Dimensions of fixtures are nominal and may vary within the range of tolerance established by ANSI standards. These measurements are subject to change or cancellation. No responsibility is assumed for use of superseded or voided pages.
